New Matching Funds Available to Support Vital Local Organizations

The Elma Area Community Foundation is excited to announce an opportunity that will help keep the Elma area strong. Thanks to the generosity of **Joe and Kathy Whiting**, long-time Elma residents, gifts made to six funds of local organizations will be matched dollar for dollar. The Whitings have committed to matching up to \$26,000 for this campaign.

This opportunity will increase the long-term impact of each organization through their endowment funds held with the EACF. The funds include the Elma Early Childhood Center Fund, Elma Museums Fund, Elma Park Fund, Elma Public Library Fund, Elma Fire and Rescue Fund, and the Elma Trails Fund.

Join **Joe and Kathy Whiting** in providing support for vital organizations meeting important needs of the Elma area. Your donation helps these local organizations grow a stable source of income that will provide resources necessary to serve our friends and neighbors and the next generation of residents.

Please consider using the reply device below to increase your ability to make a difference in your community today, and forever. Gift must be received by December 7, 2018 to qualify for the match. The support of our community makes us stronger, and the EACF is grateful to be part of our thriving community.

Donors to the EACF can benefit from the Endow Iowa state tax credit program. Endow Iowa allows taxpayers to receive a 25% Iowa tax credit, in addition to normal federal deductions, for gifts to permanent endowment funds benefiting Iowa charitable causes.

Questions, please contact the EACF administrative office at 319-287-9106, or the leaders of the organizations listed above.

Yes! I/we want to support vital services that keep the Elma Area strong today and for future generations.

Enclosed is my check for \$ _____
